My energetic
field is secure,
protected, and
completely
clear.

I am deeply
grounded in
the present
moment, stable
and calm.

I release any
energy that
does not
belong to me
with love.

My personal
boundaries
are strong,
healthy, and
respected.

I willingly
step out of
old cycles
and welcome
new beginnings.

I trust the
inner wisdom
of my body
and
my intuition.

Every daily
choice
I make aligns
me with my
highest self.

I am free
from limiting
beliefs;
I am rewriting
my story.

I am open
and ready to
receive universal
flow and
prosperity.

My
professional
path is expanding
with ease and
purpose.

I attract
positive
opportunities
that match my
vibration.

Success
flows naturally
to me because
I believe in
my worth.
